

Week of Monday April 6th

Hello Everyone,

Tennis this past week:

Big wins over Colerain! Congratulations to the Tennis Teams!

Varsity also beat Edgewood and Taylor but lost to Moeller

JV also beat Moeller (3-2), but lost to Little Miami (2-3). For JV Jake Kellerman came from behind to win on Court 1. Carl Huber showed lots of tenacity and heart, but lost in the third set to Little Miami.

It shows team spirit and player encouragement when the team stays around to cheer on their teammates. Players should stay until all matches are finished, unless special arrangements have been made in advance with the coaches. If you were playing a third set and the win depended on your play, wouldn't you appreciate team support?
